

# Urgent Care Association of America

**Kevin Broyles, MD, MHS-CL, MRO, FAAFP**

Kevin Broyles is currently the Associate Chief Medical Officer for Duke Primary Care and Senior Medical Director for Duke Urgent Care Services. He is also an Assistant Professor of Community and Family Medicine within the Duke University School of Medicine.

Kevin received his Bachelor of Science degree from Florida State University and completed his doctorate in Medicine from the University Of Florida College Of Medicine. After internship and residency in Family Medicine at Duke, he then completed a faculty development fellowship in 1990. In 2003 he received his Masters in Health Science in Clinical Leadership from Duke. He became a fellow of the American Academy of Family Physicians in 2006.

Kevin was in private practice for 8 years before returning to Duke in 1998. Over the past 12 years he has served as the Senior Medical Director of Duke's Urgent Care Clinics which will have recently enjoyed rapid expansion to 5 full-service clinics. As the Associate Chief Medical Officer for Duke Primary Care he is responsible for recruitment, orientation, medical director leadership development of the 27 practice, 150 physician member group. In addition he serves on the Physician Executive Committee, as well as, the Compensation, Joint Commission, Patient Safety and Performance Improvement and Health System Credentialing committees at Duke.

For over 10 years Kevin, with his wife and two daughters, has volunteered in Africa as a medical missionary. He was instrumental in developing "KenyaKids", a non-profit child sponsorship program for orphans and vulnerable children in Nairobi, Kenya. Most recently he has helped to create summer internship opportunities for Duke undergraduate and graduate students to work in Kenya. In 2008 he was recognized at Duke's first "Community Care Giver Awards" for his international work.
