

# Urgent Care Association of America

**Brent A. Kell R.T. (R)**

Brent Kell is the Executive Director for Valley Immediate Care LLC. Valley Immediate Care operates two urgent care practices in Medford, Oregon and one facility in Grants Pass, Oregon. Valley offers urgent care services as well as occupational health services to residents of and visitors to Southern Oregon's Rogue River Valley.

Brent has an extensive background in healthcare beginning with Veterinary Practices in the 1970's. During the 1980's, Brent managed a large emergency veterinary practice. After returning to school and obtaining his degree in Radiologic Technology, Brent worked as a staff technologist at Valley Children's Hospital in Fresno, California.

Upon relocating to Oregon in 1992, Brent spent ten years as the Operations Director for a large Orthopedic practice in Medford.

Valley Immediate Care has been his home for the past seven years. During his tenure, the practice has grown from one to three locations and has more than quadrupled patient volumes. He has also recently added a thriving occupational health program.

For the past six years, Brent has also instructed classes in Radiologic Technology, preparing students to secure an Oregon Limited License X-ray certificate.

Brent has spent time volunteering as the Training Officer for Fresno County Mountain Search and Rescue and the Search and Rescue Instructor for the Oregon State Sheriff's Association. He has also volunteered as a ski patroller and has served as a Ski Mountaineering and Avalanche Instructor with the National Ski Patrol.
