

Urgent Care Association of America

Patty Kiley

Ms. Kiley is the Human Resources Coordinator at Medac Health Services in Wilmington, North Carolina. Medac is an independent, multi location practice which has been providing urgent care and occupational health services in the greater Wilmington community since 1984.

Ms. Kiley began her human resources career in 1994 and has devoted the last 10 years to the healthcare industry. She is an active member of the Society for Human Resource Management and well as the local chapter of the Lower Cape Fear Human Resource Association. In 2006 she earned Professional in Human Resources credentials through the HR Certification Institute.
