

Urgent Care Association of America

Kevin Solinsky, CPC, CPC-I, CEDC, CEMC

Kevin Solinsky, has been in healthcare for 27 years, including practice administration, HIPPA compliance, coding, billing and auditing. He is Past President of the Grand Canyon Coders/Phoenix, Arizona chapter of the AAPC. He recently composed the national ED specialty credential exam for the AAPC in 2008.

Kevin's business, Healthcare Coding Consultants, LLC, provides professional coding and charge capture for many hospitals systems. As a well respected educator of coding and documentation, he speaks nationally on ER professional and facility coding, urgent care, evaluation and management services. He managed an urgent care center in the early 1990s that averaged 150 visits a day. Kevin is also CEO of Global Healthcare Billing, Inc. a multi-specialty billing service.
