

## Urgent Care Association of America

**Donald F. Dillahunty, DO, MPH**

Dr. Dillahunty is chief executive officer/president of PrimaCare Medical Centers headquartered in Dallas, Texas. PrimaCare is one of the largest groups of ambulatory medical centers in the Dallas metro area and has been serving that community since 1979. He also serves as a member of the UCAOA Board of Directors and currently chairs the organization's Quality Committee.

Dr. Dillahunty completed his undergraduate training at Central Missouri State University in Warrensburg, Missouri, received his Masters in Public Health from Loma Linda University in Loma Linda, California and completed his DO with the College of Osteopathic Medicine at Kansas City University of Medicine and Biosciences in Kansas City, Missouri. He is board certified in Family Practice with an added qualification in Occupational Medicine. Dillahunty is also certified as a Physician Executive by the Certifying Commission of Medical Management and completed the medical mini-MBA program through the University of Texas at Arlington.

Dr. Dillahunty is a member of the American College of Occupational and Environmental Medicine, the American College of Physician Executives, the American Medical Association, American Osteopathic Association, Dallas County Medical Society, the Texas Medical Association and the Urgent Care Association of America.

Dr. Dillahunty resides in Dallas, Texas, with his wife of twenty-seven years, Marilu, and their six children.
