

# Urgent Care Association of America

**Nathan Newman, M.D., F.A.A.F.P.**

Dr. Newman currently serves as Chief Medical Officer of Solantic walk-in urgent care, Florida's leading provider of physician-based urgent care and health services. In this capacity, Dr. Newman designs, manages and implements clinical services policies for more than 100 providers for Solantic's twenty-seven sites throughout the state.

Dr. Newman received his medical doctorate in an accelerated, three-year program at Eastern Virginia Medical School in Norfolk, VA. As a double board-certified Family Physician/Geriatric specialist, he participated on staff at The University of Florida-affiliated Family Medicine residency program in Jacksonville, Florida and was Chairman, Department of Family Medicine, at Orange Park Medical Center from 1994-1998.

In 1998, Dr. Newman organized and implemented American medical systems to expatriate patients in Europe in conjunction with Baylor College of Medicine. In this capacity, he traveled extensively throughout Europe to foster relationships with local hospitals, doctors and managed care organizations for the purpose of providing up-to-date medical care for American and British citizens.

Dr. Newman returned to the United States to serve as Chief Medical Officer of Family Medical and Dental Centers, a multi-specialty primary care group offering Pediatrics, Family Practice, Internal Medicine, OB-Gyn and Behavioral Health Services in seven North Florida sites.

Dr. Newman is an active member of the American Medical Association, American Academy of Family Physicians, Florida Medical Association, Florida Academy of Family Physicians and the American College of Physician Executives.
